Monday, June 30th, 2008  
White Clay Creek Country Club  
Wilmington, Delaware

Dear Alumni and Friends of Delaware Golf,

Once again we are extremely proud of the successes that the University of Delaware Golf Team obtained during the 2007-2008 season. During the course of the year, we played in 12 tournaments and placed in the top ten six times and in the top five four times. Freshman Colin Smith tied the record books with a 4 under par 66 at the par 70 course at Seascope (that brings back memories for some, doesn't it?) and Junior Tommy Ellison shot a 4 under par 68 at Sea Trails in North Carolina. Tommy had the teams lowest scoring average with a 74.8 and many players contributed to the overall team average of 76.7.

We invite you to join us in celebrating our successes by gathering at White Clay Creek country Club on the grounds of Delaware Park on Monday June 30, 2008. Often people indicate that a certain golf course is a "must see", but truly there is no other way to describe this course. Mr. Fasy, CEO of Delaware Park, and the staff at WCC have been extremely generous and accommodating to us in letting us call WCC our home course.

Monies raised through the outing will support the needs of the golf program. We are always trying to think ahead with or scheduling and purchasing of golf supplies. An event such as this gives us the opportunity to participate in more golf tournaments.

The young men who will represent the University of Delaware for the 2008-2009 golf season will proudly wear the Delaware Blue and Gold and carry on the tradition for which many of you laid the foundation. Please help us to keep that tradition alive by joining us for a great day of golf on June 30!

As always, I am grateful for your support,

*Coach Keogh*
