Dear Alumni and Friends of Delaware Golf,

The University of Delaware's golf team has recently completed its 2008-2009 season. This year's team has played extremely well marked by scores in the upper 60's and very low 70's. The team played in 10 events and recorded eight top five finishes, with our win at Cornell as our highlight. We finished second at Navy and second at our own Scotty Duncan Memorial.

Individually, senior captain Tommy Ellison had the team low scoring average with a 74.3. He is the recipient of our "Grinder Award" for the player who continues to "grind" in the face of adversity, sponsored by former captain Charlie Horn '75. Sophomore Justin Martinson, our team MVP, was second in scoring with a 74.5 average. He won both the George Washington and Lafayette individual medalist titles. Sophomore Colin Smith recorded a 7-under par individual title victory at our own Scotty Duncan Tournament and Colin was also 3-under par at the Navy Invitational. Many others contributed with very respectable scores.

We invite you to join us at White Clay Creek Country Club on June 29th, 2009. WCC is our home course and the owner, Mr. Rickman, the CEO, Mr. Fasy, and the entire staff at WCC have gone out of their way to make our practice and play every day a memorable experience.

All of our team members wear Blue and Gold proudly, knowing that they are carrying on the traditions established by many of you. We hope you can attend and meet these fine young men and share experiences with them that you now both have in common.

Thank you for all of your support throughout the past years and the ones to follow.
