## You want numbers?

So you say you're a numbers freak? Try these numbers on for size.

2 - So much for "1" being the loneliest number. At Delaware this season, "2" is the loneliest number. Chris Prothro is the first Blue Hen to wear the No. 2. Of course, part of the reason for that is the No. 2 was illegal in college basketball from 1957-58 to 1999-2000 (as was wearing "1").

3 - The number of times Delaware has lost when leading with 2:00 left in regulation over the last six years. (incl. this year) Delaware is 96-3 during that span when leading at the two-minute mark.

3 (The sequel) - The number of times Delaware has lost consecutive home games since the BCC opened in December 1992. UD lost the last game in 1996-97 and the home opener in 1997-98, along with consec. home games in 1994-95 and last season.

32 - That's how many sellouts Delaware has had in the last four seasons at the 5,000-seat Bob Carpenter Center.

70 - Delaware has won 47 straight home games when scoring 70 or more points.

110 - The number of games that Delaware has won leading at the half over the last seven seasons (incl. this year). UD is 110-21 when leading at the half during that span.

112 - The number of games Delaware has won in the 10-plus seasons at the Bob Carpenter Center. UD is 112-28 (.800 pct) at "The Bob" since its opening back on Dec. 1, 1992. More recently, UD is 63-11 at "The Bob" over the last five seasons.

364 - UD has made at least one three-pointer in 364 consecutive games. The Blue Hens haven't been shutout from behind the arc since Nov. 28, 1990 at Bucknell.

2000 - Delaware could play its 2000th game this season. UD has to play two games in the CAA Tourn. to get the milestone.

## As Simple as Making Shots

Delaware's success has really just depended on making baskets lately.

In David Henderson's two-plus seasons, Delaware is 39-31. In that span, **19 of 31 losses have come with UD shooting under 40% from the field (4-19 when shooting less than 40%). In all four of Delaware's losses this season, UD has shot less than 40%.**

At the other end of the spectrum, when UD shoots better than 50%, it is 15-1 under Henderson.

This season, UD has shot 46.2% in its seven wins, but just 36.4% in its five losses.

## Maepa Joins Team

Lebo (Lay-BO) Maepa (MAY-PUH), a native Johannesburg, So. Africa, has joined the squad for the second semester and will spend his redshirt season.

Maepa, a member of the South African national team, signed an NLI during the early period. However, because South African schools run on a different calendar, Maepa has already earned his high school degree from Durban HS in Dec. 2001 and is enrolled in UD's winter session. He will practice and travel with the team.

## Gotta' Score 60

With the CAA known as one of the top defensive leagues around, points are at a premium.

With that said, Delaware is 2-18 over the last four seasons (including 0-2 this season) when held to less than 60 points.

## Charitable Turnaround

After the UNC Greensboro game, Delaware coach David Henderson was furious with his squad for their horrific foul shooting. That has since changed, however.

Following the UNCG game, in which Delaware shot just 13-26 from the line, UD was shooting just 59.6% from the foul line (62-104).

Since then, over the last six games, UD is shooting 80.0% from the line (104-130) to raise the season mark up to 70%.

## It Starts with Slattery

Mike Slattery took over the starting point guard slot the second half of last season. The move started paying dividends almost immediately.

Slattery, a native of Philadelphia and product of Germantown Academy, had 94 assists as a freshman, while playing just 19.7 minutes per game. In the final 12 games last season, Slattery had 58 assists and just 22 turnovers as the starting point guard.

Slattery has continued that play this season, while his minutes have nearly doubled (from 19.7 to 34.75). He leads the CAA in assists per game at 6.0, and also ranks fifth in steals (1.9), second in assist/TO ratio and seventh in three-point field goal percentage.

If you add last year's numbers to this year's start, in his last 24 games, Slattery has 124 assists and just 55 turnovers... a 2.26 ast./TO ratio.

Slattery has five or more assists in 14 of his last 18 games, including nine times this season.

Against UNC Greensboro, Slattery had a career-high 15 assists. It was the most by a Blue Hen in 20 years and tied for the second-highest single-game total in school history. It was also a Bob Carpenter Center record.

In that game, Slattery played all 40 minutes and had 15 assists versus just one turnover. The 15 assists were also one shy of a CAA record.

Slattery, however, did not stop there. He had 17 points and 10 assists at Siena. In his 38 minutes, he had just three turnovers.

In UD's seven wins, he has 48 assists (6.9 apg).

Slattery can score, too. He has scored in double-figures in eight of the last nine games. He had a career-high 18 points against Saint Joseph's, and later topped that mark with 22 points against UW-Green Bay.

Of course, distributing the ball is nothing new to Slattery. When he was at Germantown Academy, a big part of his role was getting the ball to a couple of guys by the names of Matt Walsh, who is already making a name for himself as a freshman at University of Florida, Ted Skuchas, a freshman who is redshirting at Vanderbilt, and Lee Melchioni, who is in his freshman season at Duke.

## Three-point Facts

As mentioned previously, Delaware has made at least one three-point field goal in each of the last 364 games dating back to Nov. 28, 1990. Bucknell was the last team to hold Delaware without a three-pointer. The Bison held Delaware to 0-for-2 in a 71-62 Bucknell win in East Coast Conference play.

Putting that into proper perspective, sophomore Mike Slattery was age 7 when UD last had a game without a three-point field goal.

In all, Delaware has made at least one three-pointer in all but five games (474 out of 479 games) since the implementation of the three-point line throughout the NCAA in 1986-87. (Some conferences had an experimental line before that.)

One of the five games that UD failed to make a three-point field goal was the very first game the rule was in effect. It wasn't until Delaware's second game against Washington College (MD) that Brad Heckert made the first-ever 3-pt. field goal by a Blue Hen. (It came on Dec. 3, 1986 with 13:43 left in the first half).

The current streak of 364 games was started by Mark Houghton on Dec. 5, 1990 against St. Francis (PA). He hit a three-pointer from the left wing with 4:22 remaining in the first half. UD lost the game, 72-70. That shot, however, began UD's current string.

Furthermore, UD has connected on 200 or more three-pointers in each of the last four seasons. The Blue Hens hit for 251 in 2000-01, breaking the record of 243 from the season before. When they hit 243 trifectas in 1999-2000, that broke the team record of 207 set in 1998-99. Last year, UD connected from behind the arc 214 times.

UD has made 10 or more 35 times since the rule was implemented, including four times last year and once this year.

In fact, UD has made five or more three-pointers in 91 of its last 103 games, including 17 of the last 18. (UD had its streak of 13 straight games with five or more three-pointers snapped in the win over E. Washington.)

## Second Half "D"

In UD's wins this season, it allowed 31.7 ppg in the second half. In the losses, the number jumped to 45.4 ppg.

## No Place Like Home

The Blue Hens certainly love to play at the Bob Carpenter Center.

Nicknamed "The Bob" by the UD student body, Delaware has won 60 of its last 69 games on its home floor and is 112-28 at home in "The Bob's" 10-plus seasons.

That success has continued under David Henderson. Delaware is 23-7 at home during Henderson's tenure.

For the first time in four years, Delaware lost consecutive home games last season. UD hadn't lost consecutive home games since the last home game of the 1996-97 season and the 1997-98 home opener (a loss to Virginia on Nov. 25, 1997). UD has lost consecutive home games just three times since the BCC opened in December 1992.

While a member of America East, UD was 72-18 against America East members at home. In its first CAA season, UD was 6-3 against conference foes.

However, The Fightin' Blue Hens are successful out of the league, too. UD is 34-7 against non-conference foes at "The Bob", including 20 of the last 23 going back to December 1995 (the losses coming

in the aforementioned game with Virginia, nationally-ranked Saint Joseph's last year and Rider this season).

UD has won 47 straight home games when it scores 70 points or more dating back to Jan. 16, 1998.

## Not Just Any 6th Man

Tonight's probable starting line-up has Ryan Iversen coming off of the bench. However, that doesn't mean Iversen won't play a lot of minutes.

Iversen had appeared in all 65 games of his UD career before missing the UNC Greensboro game with back spasms. In his career, Iversen has only started seven games... much of that because of his diversity as a guard, and comfort level coming off of the bench.

However, Iversen has never played less than 14 minutes in 64 career games off of the bench and has played 20 or more minutes in 50 of those 64 games.

Iversen's coming off the bench made his performance against LIU this season that much more impressive. The 6-3 former linebacker (at U. of Minnesota) recorded a triple-double - the second in UD history - in the win over LIU. He finished with 12 points and career-highs with 17 rebounds and 11 assists in 28 minutes. He actually got the triple-double with 5:14 left... meaning he got the trifecta in 23 minutes.

Iversen ranks third in steals (2.0) in the CAA and is also fourth in assist/TO ratio (1.67), ninth in rebounding and sixth in free throw shooting.

### Iversen in his career as a starter (7 GP)

## Ready, Ames... Fire!

Mike Ames led the CAA in three-point field goal shooting last season. Ames hit 73 of 160 from behind the arc (45.6%).

Although he missed several weeks during the pre-season due to a torn meniscus, which has contributed to his slow start this season (9-35 from three-point range in the first five games), Ames had a streak of 18 straight games with at least one three-point field goal before being shutout by Rider on Dec. 14. The 18-game string tied for the third-longest in UD history.

He also began last season by hitting at least one three-point field goal in 14 straight games.

Ames looks like he has started to find his stroke again. In the last seven games, he has averaged 19.6 ppg, hitting 18-42 from three-point range and shooting 48.8% from the field overall in the span. That has lifted him to ninth in the CAA in scoring (15.3 ppg).

Ames has also started to get to the foul line more often. After going eight straight games without an attempt, Ames has gotten there 39 times in the last eight games. He has made 30 straight at the line entering tonight's game and leads the CAA in free throw percentage (94.9%).

Ames is 119-284 from 3-pt. range in 67 career games at Delaware (41.9%), which would rank No. 2 in three-point field goal percentage in school history. His 119 career three-pointers already rank him No. 9 in UD history.

## Not the First from the Island

Anwar Rohan earned a walk-on spot with the squad in pre-season practice.

Rohan, a 6-2 freshman guard, is from St. Thomas, Virgin Islands. However, he is NOT the first UD basketball player from the American Territory. **Elsworth Bowers**, who lettered three seasons at UD (1986-89), hailed from St. Croix, VI.

## UD Inks Four to NLI's Early

UD head coach **David Henderson** announced the signing of four student-athletes during the early NLI signing period.

The Blue Hens have signed NLI commitments from 6-8 F **Henry Olawoye** (pronounced Oh-luh-way) (St. Mark's Prep [MA]/Woonsocket, RI), 6-7 F **Octavius Flowers** (Community Christian Academy/Wilson, NC), 6-7 F **Herb Courtney** (Hatboro-Horsham HS/Horsham, PA), and 6-9 F **Lebo** (pronounced Lay-bo) **Maepa** (Durban HS/Johannesburg, South Africa).

Maepa, having graduated from Durban last December, will enroll at UD in January.

Olawoye is a Woonsocket, RI native who enrolled two years ago at St. Mark's Prep School in Southborough, MA, a suburb of Boston. Last season, he earned All-Independent School League honors at St. Mark's, averaging 14.8 and 9.3 rpg. He also earned all-tournament honors at the Boys Club of New York Holiday Classic. He is also a member of St. Mark's baseball squad.

Flowers transferred to Community Christian Academy in Wilson, NC this season after spending the last three seasons at Wayne Country Day School. At Wayne Country Day, he averaged 20.2 points, 11.4 rebounds, 5.9 blocks and 3.1 assists per game as a junior. Last season, playing on the top-ranked high school team in North Carolina with a 22-3 mark, he earned all-conference honors and honorable mention all-state accolades.

Flowers, a native of Goldsboro, NC, also earned all-conference honors as a sophomore, averaging 14.6 ppg, 9.8 rpg and 3.8 bpg as his team was ranked No. 4 in the state. He is ranked as one of the Top 35 players in the Carolinas by *HoopScoop Online*.

Courtney is a native of Hatboro, PA and product of Hatboro-Horsham HS. He averaged 16 points and 10 rebounds per contest and All-Suburban One League honors last season at Hatboro-Horsham. He is ranked as one of the Top 20 players in the Delaware Valley by *HoopScoop Online*.

## No Splinters on this Squad

**David Henderson** has used his bench a lot during his first two seasons at Delaware.

During Henderson's tenure, **the UD bench has scored in double-figures in 67 of 72 games. Currently, Delaware's bench has scored in double-figures in 42 consecutive games.** Delaware's bench was last held to less than 10 points on March 10, 2001 by Hofstra (8) in the America East title game.

**In four of Delaware's wins, the Blue Hens scored 40, 39, 39 and 42 bench points.**

Last season, UD's bench averaged 28.3 ppg and scored 20 or more points in 27 of 30 games.

## Daddy's Little Girl

UD assistant coach Billy Martin's daughter, Chantel, is a key member of the Campbell University women's basketball team this season.

Chantel, a sophomore guard, is the Camels' first player off the bench, averaging 5.2 ppg (fourth on the team) and 3.0 rpg through the first 10 games of the season. She had six points and three rebounds in 14 minutes in Campbell's last game, a 63-49 win over Mount Olive on Saturday.

CU hosts Gardner-Webb today (Saturday).

## 40-minute Men

In recent seasons, Delaware has been a tough team to beat when it has a halftime lead.

**Delaware is 99-14 over the last six seasons (including this one) when leading at the half, including a 30-6 mark during head coach David Henderson's tenure.**

That mark gets better when UD is at home. **At the BCC, the Fightin' Blue Hens are 70-7 when leading at the half since the arena opened.** Delaware has won 59 of the last 63 at home when leading at intermission.

**Under David Henderson, Delaware is 18-2 when leading at the half at home.**

## Working Overtime

• All-time, the Fightin' Blue Hens are 37-30 in overtime games, 23-9 in Newark. (A complete list can be found in the UD media guide.)

• Delaware is 6-1 in overtime games all-time at the BCC.

• Under David Henderson, Delaware is 2-1 in overtime games.

• The Blue Hens have not had consecutive overtime games since Feb. 3 & 7, 1973.

## In-season Birthdays

• Asst. Coach John Moseley turned 26 on Nov. 20

• Ryan Iversen turned 23 on Nov. 21

• Mike Ames turned 21 on Dec. 23

• Mike Slattery turned 20 on Dec. 27

• Maurice Sessoms turned 24 on Dec. 28

• Rulon Washington turns 20 on Feb. 1

• Chris Prothro turns 19 on Feb. 24

## Telling Stats

• So much of last season's 14-16 mark came down to just making baskets, which hurts when you consider seven losses last year were by six points or less.

In Delaware's 14 wins last season, UD held the opponent to 39.8% from the field, including 32.2% from three-point range. Meanwhile, Delaware shot 44.1% from the field, including 37.8% from three-point range.

On the other side of the ledger, in UD's 16 losses, the opposition shot 45.2% from the field, including 38.2% from behind the three-point line. Meanwhile, UD shot just 38.4% from the field and just 30% from three-point range in losses.

• UD was 3-11 last season when it shot under 40% from the field. Under Henderson, UD is 4-19 when shooting 40% or less from the field (incl. 0-4 this season).

• Last season, Delaware averaged 73.8 ppg in its 14 wins, but just 60.6 ppg in its 16 losses.

• UD was 10-3 when it scored 70 or more points last season.

• UD averaged just 11.9 turnovers in its 14 wins. That number, however, jumped to 14.6 per game in its 16 losses.

## Kanga-ROO

No wonder **Rulon Washington's** nickname is "Roo". It might be short for Kanga-ROO.

Washington, a native of Jacksonville, FL, comes to Delaware with a 40-inch vertical leap. He proved that with an ally-oop dunk in UD's exhibition win over a team from Ukraine.

Washington graduated from Edward White HS in the spring of 2001. However, he wasn't recruited by Division I schools (partially because he had four HS coaches in four years), so he chose to stay in Jacksonville and play in Grayson Marshall's midnight league. Marshall, a former Clemson player (1985-88), called Henderson and put him onto "Roo."

**Washington began to find his rhythm at Siena. He had a season-high 10 points, snapping out of a shooting slump.** Washington went 3-of-6 from the field in 15 second-half minutes, including 2-for-3 from three-point range, to help UD rally for the win.

## Shoulder Sidelines Wentt

**Robin Wentt** is likely lost for the remainder of the season due to a left shoulder injury.

Wentt underwent the identical surgery that he had on his right shoulder this past summer. Wentt suffered from multiple subluxions (partial dislocations) of his left shoulder over a period of several weeks, the same condition Wentt battled last season in his right shoulder.

## UD under David Henderson...

- Delaware is 41-31 overall
- Delaware is 25-14 in conf. regular season action
- The Blue Hens are 23-7 at home (Bob Carpenter Center)
- In home openers, Delaware is 3-0
- In season-openers, Delaware is 1-2
- Delaware is 15-1 when it shoots 50% or better from the field
- Delaware is 30-6 when it is leading at halftime (at home, 18-2 when leading at half)
- Delaware is 38-2 when leading or tied with 2:00 to play in regulation
- Delaware is 40-2 when leading or tied with 1:00 to play in regulation
- Delaware is 22-4 when it scores 35 points or more in the first half
- Delaware is shooting 79.3% at the line inside of the 2:00 mark (184-232)
- Delaware is averaging 7.6 three-point field goals per game (548 total)
- Delaware has made 10 or more three-point field goals 15 times
- Delaware is averaging 70.8 ppg (5,095 total)
- Delaware is shooting 43.4% from the field (1802-4156)
- Delaware is shooting 35.6% from three-point range (548-1540)
- Opponents have been held under 60 points 22 times (18-4 in those games)

## Taking Timeout for Kids

After practice on Thursday, the University of Delaware men's basketball team took a timeout off of the court.

The Blue Hens made a visit to A.I. duPont Children's Hospital in Wilmington on Thursday night. Players stopped by to chat and sign autographs for the patients, who range in age from infancy to 17 and suffer from a variety of acute, chronic and complex health problems.

## Familiar Faces

Tonight brings a few familiar faces to the BCC.

Head coaches **Jeff Capel** and **David Henderson** know each other pretty well, obviously, being Duke products, although Henderson did not return as an assistant until the year after Capel graduated.

Also, though, VCU assistant **Jeff LaMere** makes his return to Delaware. **LeMere was an assistant coach at Delaware** under Mike Brey during the 1995-96 season before heading to Duke as the men's basketball program's administrative assistant, where he worked with Henderson for three seasons (1997-2000).
